

### TRIP PERMISSION SLIP

Periodically, we will take trips that may involve travel throughout the Dallas, Fort Worth area. During these times, we will require parents to give permission for their child to accompany us on these trips.

Permission slips will be given to each parent or guardian when they pick up their child(ren).

When trips are planned, we will post the trip on our website. Parents may be required to pay for admission fees to events or may be asked to volunteer in accompanying children to the event.

Weekly, your child will be taken to the local library and to the park. Cozy Cubbies Home Childcare will not require you to sign a permission slip for these short trips. They will however, be posted on the website.
